

III. REMARKS

1. Claims 1, 5, 7, 11-15, 17, 18, 20 and 21 are amended. Claims 22-31 are new. Claim 9 is cancelled without prejudice.

2. Claims 1, 2, 4, 6 and 8-21 are not unpatentable over Bellamy in view of Singkornrat.

Neither Bellamy nor Singkornrat disclose or suggest coupling a mobile phone to a television device. The references in combination do not disclose or suggest such a feature and neither reference provides any motivation for such a combination.

Claim 7 is not unpatentable at least in view of its dependency on claim 1. Allport also does not disclose or suggest anything related to mobile phones. Thus, the combination with Bellamy and Singkornrat cannot do so as well.

Claims 3 and 5 should be patentable at least in view of their dependence on claim 1. Bodle is not at all related to mobile phones, so its combination with Bellamy and Singkornrat cannot do so as well.

For all of the foregoing reasons, it is respectfully submitted that all of the claims now present in the application are clearly novel and patentable over the prior art of record, and are in proper form for allowance. Accordingly, favorable reconsideration and allowance is respectfully requested. Should any unresolved issues remain, the Examiner is invited to call Applicants' attorney at the telephone number indicated below.

A check in the amount of \$352 is enclosed for additional claim fees. The Commissioner is hereby authorized to charge payment

for any fees associated with this communication or credit any over payment to Deposit Account No. 16-1350.

Respectfully submitted,

Geza C. Ziegler Jr.
